

## T-Shirt Quilt Online Order Form

***Pricing is for a finished, machine quilted t-shirt quilt. We provide everything but the t-shirts. All you need to do is send your t-shirts to us along with this order form and we will turn them into a beautiful quilt.***

Your t-shirts should be laundered and in good condition. Stains or discolorations will show up on your quilt. We prefer that you do not cut your t-shirts. If a shirt is cut too small, we may not be able to use it. We will return any whole t-shirts that cannot be used. Remnants of textiles will not be returned.

The sashing will be in a color that will compliment your shirts. Navy blue, burgundy, dark gold, light blue, purple and forest green set off the shirts nicely. If you would like a particular color sashing, just let us know. We do not use denim as it unravels. A color that will compliment the quilt top will be used for the backing unless otherwise specified.

All of our quilts are *long-arm quilted* on our *Gammill Statler Stitcher*. We use only a pantograph (edge to edge) meander pattern for quilting the t-shirt quilts. Custom quilting will be an additional charge.

**Traditional T-Shirt Quilt:** A traditional t-shirt quilt is made up of shirts that are all cut the same size, set in a grid pattern with sashing between the blocks. The t-shirt design should be no longer than 12" square. We'll try our best to include as much of the design as possible in shirts that are larger than 14".

Select the number of shirts you would like in your quilt. Each side of a shirt counts as one shirt. For example, to use the front and back of a shirt, it counts as 2 shirts.

### T-Shirt Quilt Pricing 2010

Quilts can be made with as few as 12 t-shirts or as many as 28. After receiving your t-shirts we will determine how many are usable and what size quilt you will end up with. You will be notified of the total cost and estimated completion date. Place a safety pin on the side/sides of t-shirts that you want us to use and be sure they have all been washed and dried without fabric sheets. Please do not cut the t-shirts prior to shipping them to us. If you want to supply your own fabric, contact us for yardage. Otherwise, give us your color choices and leave the rest to us. Many people making t-shirt quilts with high school or college t-shirts like the fabric to be in the school colors.

You can use the front, back or both sides of a t-shirt. All quilts are made with sashing between each t-shirt. The following table can be used for a cost estimate:
