

## T-Shirt Quilt Order Form

***Pricing is for a finished, machine quilted t-shirt quilt. We provide everything but the t-shirts. All you need to do is send your t-shirts to us, along with this order form, and we will turn them into a beautiful quilt!***

Your t-shirts should be laundered and in good condition – stains or discolorations will show up on your quilt. We prefer that you do not cut your t-shirts. If a shirt is cut to small, we may not be able to use it. However, if you would like to separate the back from the front and send only the side of the shirt that you want included in the quilt that is OK – they need to be at least 16” square. We will return any whole t-shirts that cannot be used. Remnants of textiles will not be returned.

The sashing is a cotton print, in a color that will compliment your shirts. Navy blue, burgundy, dark gold, light blue, purple and forest green set off the shirts nicely. If you would like a particular color sashing, just let us know – we prefer not to use denim as it unravels. A color that will compliment the quilt top will be used for the backing.

All of our quilts are *long arm quilted* on our *Gammill Statler Stitcher*. We use only a pano-graph (edge to edge) stipple pattern for quilting the t-shirt quilts. Custom quilting will be an additional charge.

**Traditional T-Shirt Quilt** – A traditional t-shirt quilt is made up of shirts that are all cut the same size, set in a grid pattern with sashing between the blocks. The t-shirt design should be no larger than 14” square. We’ll try our best to include as much of the design as possible in shirts that are larger than 14”.

Select the number of shirts you would like in your quilt. Each side of a shirt counts as one shirt, for example, to use the front and back of a shirt, it counts as 2 shirts.

_____ 9 shirts –	Wall Hanging/Lap size quilt	\$300.00 plus shipping
